

ONE ROOF, ALL CARGO SOLUTIONS

At AllCargo, we provide high-level logistics services through a team of seasoned professionals with diverse experience, utilizing the most advanced technologies and an extensive international network.

Our expertise and global partnerships with key agents around the world enable us to deliver efficient and reliable logistics solutions tailored to the unique needs of each client.

We pride ourselves on being a true **One Stop Shop** – offering a **full Range of logistics services** under one roof. As part of our ongoing growth, we have **established strategic partnerships** with both local and international companies, empowering us to deliver comprehensive services that prioritize innovation, speed, and safety.

Over the years, AllCargo has significantly expanded its operations and today provides a wide array of international shipping solutions – from large commercial enterprises to small businesses and private customers looking to enter global markets. Our recent acquisitions and investments in advanced technologies allow us to maintain our leadership in the industry while offering diverse and personalized services.

Why AllCargo?

At AllCargo, we help our clients gain a competitive edge through innovative logistics solutions that deliver real-world results. Our services come with a wide range of advantages, including:

- **Over 30 Years of Experience** – A highly skilled team with extensive expertise in international freight forwarding.
- **Advanced Technology** – Innovative information systems for shipment management and real-time tracking.
- **Global Coverage** – A broad international network of agents providing service to every destination worldwide.
- **Comprehensive Services** – Logistics solutions for all types of cargo and needs.
- **Customs Brokerage** – A dedicated team ensuring professional handling of regulatory requirements for fast and efficient customs clearance.
- **Top 10 Ranking** – Proudly ranked in the Top 10 by Dun & Bradstreet for 2024.

We invite you to join AllCargo's satisfied clients and experience logistics services at the highest level.
